709.02 Disclosure. (1) In regard to transfers described in s. 709.01, the owner of the property shall furnish, not later than 10 days after acceptance of a contract of sale or option contract, to the prospective buyer of the property a completed copy of the report under s. 709.03 or 709.033, whichever is applicable, subject to s. 709.035, except that the owner may substitute for any entry information supplied by a licensed engineer, professional land surveyor, as defined in s. 443.01 (7m), or structural pest control operator, by an individual who is a qualified 3rd party, or by a contractor about matters within the scope of the contractor’s occupation, if the information is in writing and is furnished on time and if the entry to which it relates is identified, and except that the owner may substitute for any entry information supplied by a public agency. Information that substitutes for an entry on the report under s. 709.03 or 709.033 and that is supplied by a person specified in this section may be submitted and certified on a supplemental report prepared by the person, as long as the information otherwise satisfies the requirements under this section. A prospective buyer who does not receive a report within the 10 days may, within 2 business days after the end of that 10–day period,

rescind the contract of sale or option contract by delivering a written notice of rescission to the owner or to the owner’s agent.

Note: Sub. (1) is shown as amended eff. 8–1–14 by 2013 Wis. Act 358. Prior to 8–1–14 it reads:

Information that substitutes for an entry on the report under s. 709.03 or 709.033 and that is supplied by a person specified in this section may be submitted and certified on a supplemental report prepared by the person, as long as the information otherwise satisfies the requirements under this section. A prospective buyer who does not receive a report within the 10 days may, within 2 business days after the end of that 10–day period, rescind the contract of sale or option contract by delivering a written notice of rescission to the owner or to the owner’s agent.

(2) In regard to a transfer of a condominium unit, if the owner is required under s. 709.01 to provide the information under sub. Note: 2003 Wis. Act 283, which affected this section, contains extensive explanatory notes.

There is nothing in s. 709.02 or 709.03 that requires a seller to provide details of specific safety and health hazards associated with any property defect. Sellers of real estate are required to disclose general descriptions of potential defects in the property. In the case of a natural gas pipeline, ch. 709 does not require a seller to disclose all potential problems that could foreseeably arise as a result of the pipeline’s presence. *Hoekstra v. Guardian Pipeline, LLC*, 2006 WI App 245, 298 Wis. 2d 165, 726 N.W.2d 648, 03–2809.

D. 1.	<u>Use–Value Assessments.</u> The use–value assessment system values agricultural land based on the income that would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a nonagricultural use, such as residential or commercial development, that person may owe a conversion charge. To obtain more information about the use–value law or conversion charge, contact the Wisconsin Department of Revenue’s (DOR’s) equalization section at (608) 266–2149 or visit: http://www.revenue.wi.gov/faqs/slf/useassmt.html .			
	a. I am aware that all or part of the land has been assessed as agricultural land under s. 70.32 (2r), Wis. stats.
	b. I am aware that the owner has been assessed a use–value conversion charge under s. 74.485 (2), Wis. stats.
	c. I am aware that the payment of a use–value conversion charge has been deferred under s. 74.485 (4), Wis. stats.
D. 2.	<u>Faerland Preservation.</u> Early termination of a faerland preservation agreement or removal of land from a faerland preservation agreement can trigger payment of a conversion fee equal to 3 times the class 1 “use value” of the land. For more information, call (608) 224–4500 or visit: http://workinglands.wi.gov .			
	a. I am aware that the property is subject to a faerland preservation agreement.
D. 2m.	<u>Managed Forest Land.</u> The managed forest land program is a landowner incentive program that encourages sustainable forestry on private woodlands by exempting the landowner from the payment of property taxes in exchange for the payment of a lower acreage share payment and compliance with certain conservation practices. Orders designating lands as managed forest lands remain in effect for 25 or 50 years. When ownership of land enrolled in the managed forest land program changes, the new owner must sign and file a report of the change of ownership on a form provided by the Wisconsin Department of Natural Resources (DNR) and pay a fee. By filing this form, the new owner agrees to comply with the management plan for the land and the managed forest land program rules. The DNR Division of Forestry monitors forest management plan compliance. Changes that a landowner makes to property that is subject to an order designating it as managed forest land, or to its use, may jeopardize benefits under the program or cause the property to be withdrawn from the program and may result in the assessment of penalties. For more information, call your local DNR forester or visit: http://dnr.wi.gov/forestry .			
	a. I am aware that all or part of the property is enrolled in the managed forest land program.
D. 3.	<u>Utility Connections.</u> I am aware that the property is connected to the following utilities on the property or at the lot line:			
	a. Electricity.
	b. Municipal water.
	c. Telephone.
	d. Cable television.
	e. Natural gas.
	f. Municipal sewer.
